ALL CHILDREN READING

The Heart 2 Hands Foundation was established to inspire, empower, educate and encourage youth and young adults to be successful in the community through building bridges in servant leadership.

Reading is a necessity for advancement in education and in any area of society. Sharing and teaching someone the basic reading skills can go a long way; and Heart 2 Hands is willing to help in that area. Heart 2 Hands has organized a team of volunteers (**Reading Diamonds**) who seek to offer reading opportunities to children participating in after school programs.

Our attempt is to keep students in school and provide them with reading skills as an educational foundation so they can succeed as adults and contribute positively to our communities.

The Heart 2 Hands Foundation Inc. is a non-profit tax - exempt organization under Section 501(c)(3) of the Internal Revenue Code. Therefore, all monetary contributions are tax deductible to the extent to which the law allows. Your gift to Heart 2 Hands will fund our initiatives and will make a difference in the life of someone who feels there is no hope. Your generous donation will help ease the hardship from transitioning out of foster care. Your generous donation will help us provide support in reading and other skills, to those throughout our community, helping them to achieve.
